**MANHEIM'S PENSACOLA AUTO AUCTION
RELOCATES TO NEW FACILITY**

ATLANTA – Manheim's Pensacola Auto Auction recently relocated to a new 45-acre, state-of-the-art facility to give customers more offerings and added convenience.

"The new location will provide us with better ways to serve our customers more efficiently," said Tom Holton, Pensacola Auto Auction general manager. "For 24 years, Pensacola Auto Auction hosted sales at our Burgess Road facility. With our growing customer base and more technology offerings, including three Manheim Simulcast-equipped lanes, we knew it was time to expand — and our dedicated employees truly helped us make the move successful."

Pensacola Auto Auction's new location, at 6359 North W Street, is located only two miles from the original facility and has room to store more than 2,300 vehicles. The new facility features eight lanes, an industry-leading detail shop and a four-bay mechanic shop.

The original facility, located at 401 West Burgess Road, will be revamped to host Pensacola Auto Auction's existing Total Resource Auctions sales. The facility will be located on 15 acres of asphalt and be the premier salvage facility in the Southeast.

A grand opening event is planned for September. For more information about sales at Pensacola Auto Auction, call (850) 477-3063.

About Manheim

Manheim is the world's leading provider of vehicle remarketing services. Through its wholesale operating locations and array of technology products, Manheim impacts every stage of a used vehicle's life cycle, helping commercial sellers and automobile dealers realize the full value of their vehicles.

The company's operating location services include reconditioning, certification, inspections, dealer financing, transport, title management and marshaling, among others. Manheim is also the leader in vehicle remarketing technology, using its online tools to connect buyers and sellers around the globe to the world's largest, most comprehensive
