**MANHEIM HOSTS GROUNDBREAKING EVENT AT NEW MONTRÉAL FACILITY**

*Mayor Joins Manheim Leaders and Customers to Recognize Community Commitment*

SAINT-EUSTACHE, QC – Manheim hosted more than 75 community leaders and customers on November 15 to provide a sneak preview of its newest operating facility located just outside of Montreal, Quebec. Joined by Saint-Eustache mayor Claude Carignan, Manheim Canada leaders Patrick Brennan and Yvan St-Jean acknowledged those who helped to plan and establish the 70,000 sq.-ft. state-of-the-art facility that will be fully operational in early 2008.

“Manheim has conducted business in Canada since 1983 and is excited to serve our growing customer base with the construction of Manheim Montréal located in Saint-Eustache,” said Patrick Brennan, vice president of Operations-Canada, Manheim. “We specifically chose Saint-Eustache as a central location from which to serve the area’s strong dealer community. The automotive market in Montréal is one of the most competitive in Canada. We welcome dealers and sellers to our site today and look forward to delivering the type of experience that Manheim customers expect.”

Manheim will invest more than \$30-million in the Montreal facility. With expanded capacity due to added onsite facilities in mid 2008, Manheim Montréal will feature six lanes and offer a variety of remarketing services ranging from reconditioning to marshalling, title processing and more. Though the facility is under construction, Manheim is already providing a full suite of services including MAFS (Manheim Financial Services). Manheim will host its first sale with three lanes open to dealers on January 15, 2008.

“Building Manheim Montréal is an enormous, but rewarding undertaking. The facility is what it is today and what it will be in the months and years to come because of the united efforts of people working on many fronts - from the local government, to our land development and construction teams, to our highly qualified staff,” said Yvan St-Jean, General Manager, Manheim Montréal. “We are especially grateful for the support of Mayor Carignan and his staff who have enabled us to join and serve the Saint-Eustache community.”

## About Manheim

Manheim is the world's leading provider of vehicle remarketing services. Through its wholesale operating locations and array of technology products, Manheim impacts every stage of a used vehicle's life cycle, helping commercial sellers and automobile dealers realize the full value of their vehicles.

Manheim offers a variety of vehicle remarketing services to its Canadian customers in locations across Ontario, Quebec, New Brunswick and Nova Scotia. With the addition and acquisition of two new auctions in 2007, Manheim has expanded its North American operations and can now be found in five Canadian locations: Oshawa, Toronto, Montréal, Moncton and Halifax.

The company's operating location services include reconditioning, certification, inspections, dealer financing, transport, title management and marshalling, among others. Manheim is also the leader in vehicle remarketing technology, using its online tools to connect buyers and sellers around the globe to the world's largest, most comprehensive wholesale marketplace. In 2006, Manheim handled nearly 10 million used vehicles, facilitating transactions representing more than \$58 billion in value.

Manheim's subsidiary companies provide value-added remarketing products and services, including paintless dent removal (Dent Wizard), Auto Body Repair and salvage vehicle remarketing (Total Resource Auctions).

Manheim is a subsidiary of Atlanta-based Cox Enterprises Inc., one of North America's leading media companies and providers of automotive services.
