**TWO MANHEIM LOCATIONS RECEIVE
WELLS FARGO AUTO FINANCE AWARDS**
Manheim Recognized for Solid Auction Performance in 2008

ATLANTA – Two Manheim locations were recently honored at Wells Fargo Auto Finance’s fourth annual auction awards reception.

Manheim Orlando and Manheim Southern California were recognized by Wells Fargo Auto Finance for offering customers the highest and most consistent levels of service in the East and West regions, respectively, during 2008. The awards were based on specific performance criteria and ratings from a survey distributed to Wells Fargo team members.

“The highest compliment we can ever receive is having our customers recognize us for service excellence and dedication,” said Nick Peluso, Manheim senior vice president, customer management. “We value our relationship with Wells Fargo Auto Finance and look forward to working together to continue to identify even more ways to raise the performance bar.”

“Our auction partners are a critical piece of our overall process, and we feel it is imperative to recognize those particular sites that display a heightened level of service and dedication to Wells Fargo,” said Howard Segal, Wells Fargo Auto Finance vice president of remarketing.

Wells Fargo Auto Finance and Manheim have partnered together for more than eight years, offering dealers a variety of vehicles to meet their customers’ needs.
